

WORKPLACE FIRST AID

ADVANCED FIRST AID (DAY TWO)

Attend our First Aid advanced course to gain your 6400 unit standard

COURSE INFORMATION

The First aid Training covers all advanced skills required in a serious emergency situation. This covers both NZQA unit standards 6401 and 6402 content and the latest information and techniques for 6400 needed to take care of yourself and others in the home or workplace. The theory and practical components cover aspects such as the environment, number of people injured or unwell, number and description of bystanders, treatment of injuries and what the learner is expected to do in each situation.
